HELP US CONNECT PEOPLE WITH WILD PLACES.

The Bob Marshall Wilderness Foundation's mission is **Active Wilderness Stewardship**.

Your financial investment in our work helps open 1,700 miles of trail, restores native habitat and preserves wilderness character in the 1.5 million acre Bob Marshall Wilderness Complex – **the crown jewel** of American Wilderness.

By connecting youth and adults with hands-on wilderness stewardship, we foster a lasting land ethic to build the next generation of conservation advocates – **to protect wild places** like The Bob for years to come.
